Our Industry-leading Collector database is a compiled database of motivated online buyers with an interest in collectibles. It is sourced from our vast network of permission-based websites and is updated monthly. Our subscribers have specifically requested to receive promotions and offers on specific areas of interest. We get your message to the right audience! Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive Collectors. By targeting those consumers that are most likely to buy your product or service. E1marketing offers 700 different data selections Please inquire about our full range of available targeting criteria including:

- Collectibles – Coins
- Collectibles – Sports Memorabilia
