Our Industry-leading Donor Data-List Database is a compiled database of online donors. It is sourced from our vast network of permission-based web-sites and is updated monthly. Our subscribers have specifically requested to receive information on specific areas of interest. We get your message to the right audience! Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive Donors. By targeting those donors that are most likely to be interested in your cause.
