Our Industry-leading Golfer Data-List Marketing database is a compiled database of motivated online consumers who have a specific sporting interest in playing golf. It is sourced from our vast network of permission-based websites and is updated monthly. Our subscribers have specifically requested to receive promotions and offers on specific areas of interest. We get your message to the right audience! Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive consumers. By targeting those consumers that are most likely to buy your product or service.
